

SUNSCREEN & MEDICATION POLICY & PROCEDURE

We strongly recommend that parents apply sunscreen to their child(ren)'s face, forehead, arms and ears each morning. Children will spend an hour or more outside each day, in the sun.

With your permission, we will reapply sunscreen to these areas before going outside in the afternoon. We use Banana Boat Baby Tear-Free SPF 50.

Please indicate your preference regarding sunscreen below by initialing one of the following:

_____ I give permission for staff to apply Center sunscreen to my child

_____ I give permission for staff to apply sunscreen to my child, and I will provide my own sunscreen

_____ I do not give permission for staff to apply sunscreen to my child

Child Name
